

THE AMERICAN ASSOCIATION OF PHILATELIC EXHIBITORS

Invites you to become a member

and receive the benefits of Philately's most exciting organization

Join with novice to advanced exhibitors from around the world in stamp collecting's only association for all levels of philatelic exhibiting. Our field is stamp collecting's most fascinating pastime and the AAPE is your #1 way to keep abreast of every facet of exhibiting and to learn effective techniques.

AAPE Benefits Include:

THE PHILATELIC EXHIBITOR - a gold medal winning quarterly journal packed with features, instructive articles, illustrations and news on the world of philatelic exhibiting.

Exhibitors Critique Service – as you develop new exhibits, they can be evaluated (through the mail) by qualified judges for free. Only costs: a photocopy of your exhibit plus return postage. Title and synopsis pages can be evaluated by e-mail.

AAPE Seminars – informative seminars and open forums are held at every U.S. National exhibition and many local shows. Seminars are sometimes presented at exhibitions outside of the U.S.

AAPE Awards of Honor and Creativity Medal – Given at all national exhibitions and most local/regional shows for exhibits showing excellence in presentation and (at national exhibitions) to exhibits showing creativity in philatelic exhibiting.

Annual National Convention – held yearly at a major national exhibition and featuring informative seminars and social activities for all AAPE members.

Exhibit Archival Service – exhibitors deposit photocopies of their exhibits at the American Philatelic Research Library where they are universally available for examination by all philatelists. Exhibitors can send scans of exhibits to be saved on the AAPE website.

And the most important service of all AAPE is a resource where you can meet exhibitors from all experience levels and receive help when you need it. No matter what your problem or need, our officers endeavor to put you in touch with the resource you require. A word for the youth exhibitor – we extend a special welcome to the young collector who wishes to learn about exhibiting. Our "American Youth Stamp Exhibiting Championships" give you philately's most exciting way to national recognition!
